Welcome to Peking University (PKU) "International Young Scholars Geo-Symposium"! Geo-Symposium is targeted on providing a unique academic platform for communication and coordination among pre-career scientists at home and abroad in geology. As a hallmark at PKU, Geo-Symposium enables outstanding scholars to share their cutting-edge research and creative energies with enthusiastic students and professors on PKU campus, which potentially opens up a window for young high-qualified scientists to faculty position applications at PKU.

W G S
14:00 to 16:00 every afternoon from June 22 to 26, 2020
Network platform: Tencent Meeting

D G S
Planetary Geology, Tectonics, Structural Geology, Geochemistry, Paleobiology and Stratigraphy, Seismological Geology, Quaternary environmental changes, Active Tectonics and Geomorphology, Experimental petrology, and Petrology-Mineralogy-Economic geology, etc. Yes! We welcome new cross-disciplinary science.

Q
A qualified applicant should fulfill the following:

- 1) Age under 40 years old.
- 2) Received a doctoral degree from prestigious university or institute, or holding a doctoral degree from a domestic university or institute and have a minimum of one or two years of overseas research experience.
- 3) Equipped with outstanding academic achievements.

A
1) Download and complete the application form (Application Form of The Third International Young Scholars Geo-Symposium). (Download from website: <https://sess.pku.edu.cn/index.htm>).
